BOISE, IDAHO – The 36th annual Albertsons Boise Open presented by Chevron announced the concert lineup today for this year’s event to be held August 14 – 17 at Hillcrest Country Club. The Albertsons Boise Open presented by Chevron features four days of PGA TOUR golf with three concerts at Hillcrest in the evenings following each of the first three tournament rounds.

Last year, the Albertsons Boise Open presented by Chevron delivered more than THREE MILLION DOLLARS to charities. The event will continue its rich history of supporting charity by adding to the \$39 Million raised since the inaugural event in 1990, the most by any Korn Ferry Tour event.

A portion of the money raised for charity will once again come from the Mondelez Tickets Support Charity Program where 100% of all event ticket sales support local charities. Through the Mondelez Tickets Support Charity program, all ticket purchasers will once again select the local charity their ticket purchase will support.

The concerts will kick off following golf on Thursday, August 14th with Darius Rucker. Rucker first achieved multi-Platinum status in the music industry as lead singer and rhythm guitarist of the GRAMMY Award-winning band Hootie & the Blowfish, who have sold more than 25 million albums worldwide including their Double Diamond-certified (22x Platinum) debut *Cracked Rear View*, which remains among the top 10 best-selling studio albums of all time. Since releasing his first Country album in 2008, Rucker has earned a whole new legion of fans with four No. 1 albums on the *Billboard* Country chart plus 10 No. 1 singles at Country radio and 11 Gold, Platinum or multi-Platinum certified hits. Rucker was inducted as a Grand Ole Opry member in 2012 and he won his third career GRAMMY Award in 2014 for Best Solo Country Performance with his Diamond-certified (11x Platinum) version of “Wagon Wheel,” one of the top five best-selling Country songs of all time.

Following golf on Friday night, Lynyrd Skynyrd will take the stage. More than a half century after the release of Lynyrd Skynyrd’s critically acclaimed debut album they resonate as deeply with their multi-generational fan base today as when they first emerged out of Jacksonville, Florida in 1973. Few ensembles have had the deep impact in creating a lifestyle as Skynyrd has. The band

travels forward with a primary mission of celebrating a legacy that honors all whom have had a resonating contribution to the lives of hundreds of millions of fans globally. With a catalog of over 60 albums, billions of streams, tens of millions of records sold, and the introduction of Hell House whiskey, Rock & Roll Hall of Famers Lynyrd Skynyrd remain a cultural icon that appeal to all generations.

On Saturday night, Brothers Osborne will rock the stage. The reigning CMA and ACM Duo of the Year winners, John and TJ Osborne are leaders of a progressive and still classic school of country music, and the faces of the new generation of Nashville. The siblings took home their first GRAMMY in 2022, winning Best Country Duo/Group Performance for their song “Younger Me,” inspired by TJ's recent coming out. The song is featured on the deluxe version of their GRAMMY-nominated album, *Skeletons*. The band has been nominated for 12 GRAMMYs in total, standing as six-time CMA Vocal Duo of the Year winners and are four-time ACM Duo of the Year winners. Overall, they have collected seven CMA awards, seven ACM trophies and received the ASCAP Vanguard Award in 2019. Their critically acclaimed hit songs have tallied multiple RIAA Gold and Platinum certifications, while surpassing more than 2.7 Billion global streams.
